

SPONSOR LEADERSHIP LEWIS

Our first class begins in September 2023

Be seen as a champion of leadership and learning in the Lewis County area. Your sponsorship of Leadership Lewis positions your business as a key supporter of economic, workforce, and civic development in our region.

Your sponsorship will provide additional funding to the program that's needed to defray expenses such as meals, session and event enhancements, and administrative costs. The generosity of local organizations helps to keep tuition costs low so that the Leadership Lewis program remains accessible to anyone who is interested in applying.

Showcase your business's commitment to Lewis County.

Yes, our business would like to sponsor:

☐ General Program (\$500)
